

2022 Parent Survey - Results

Thank you for completing our survey earlier this year. Here are the results. The Board will continue to discuss and analyse these statistics, together with your comments, and will feed back to you with any actions taken as a result.

The Glendowie School Vision Statement as stated below is being implemented effectively. <i>Glendowie School is an "I Care" school which places the highest priority on providing a quality teaching and learning programme. Our students will become confident, compassionate, life-long learners, encouraged to achieve their full potential by actively participating in our country and as citizens of the world.</i>
